

Aviation workshops

Our aviation team organizes special workshops for the High School pupils. The meetings are expected to be organized three times in months April, May and June.

The workshops will move the topics of:

- airline management - Sumeer Chakuu, M.Sc, Eng.
- airport management - Michał Nędza, M,Sc
- ground services - Sylwia Śnieżek, M.A.
- air cargo management - Krzysztof Feret, PhD.

The workshops will be held in Polish.
